Disarmament Commission

307th meeting

Friday, 16 April 2010, 10 a.m.

New York

Chairman: Mr. Zinsou ..... (Benin)

The meeting was called to order at 10.25 a.m.

The Chairman (*spoke in French*): The Disarmament Commission is meeting as a Committee of the Whole. After three weeks of deliberations on the substantive agenda items by the two Working Groups, the Commission is now approaching the final stage of its work for the current session, that is, consideration and adoption of the reports of the subsidiary bodies and of its draft report to the General Assembly.

As planned and scheduled in the programme of work, this meeting of the Committee of the Whole will be devoted to general consideration of the reports of the Working Groups, as contained in documents A/CN.10/2010/CRP.3 and CRP.4, and of the draft report of the Commission, as contained in document A/CN.10/2010/CRP.2. All three documents have been distributed.

First, we shall take up the reports of the Working Groups, as contained in documents A/CN.10/2010/CRP.3 and CRP.4. We shall consider them individually, to give members an opportunity to make comments on them. Later, at the 308th plenary meeting — which will immediately follow the present meeting — the reports will be formally introduced by the Chairs of the respective Working Groups.

The Committee will now take up the reports of the Working Groups. We shall begin with document A/CN.10/2010/CRP.3, the draft report of Working Group I, on agenda item 4. Are there any comments regarding that document? There appear to be none.

Are there any comments regarding document A/CN.10/2010/CRP.4, which is the draft report of Working Group II, on agenda item 5? There appear to be none.

We turn now to document A/CN.10/2010/CRP.2, containing the draft report of the Commission. Are there any comments regarding the draft report? There appear to be none.

May I take it that, having considered them, and in the absence of objection, the Commission approves those three documents?

It was so decided.

The Chairman (*spoke in French*): The reports of the Working Groups and the draft report of the Commission will be formally adopted at the 308th plenary meeting.

As no member wishes to make a statement at this stage, I shall adjourn this meeting of the Committee of the Whole. The 308th plenary meeting of the Commission will follow immediately.

The meeting rose at 10.30 a.m.
